GrantApplication.pdf

This PDF is an illustration of a more sophisticated use of PDF/XML forms. This form was developed for the Federal Enterprise Architecture (FEA) Web Services Pilot Project. As part of the FEA, the US Government has identified 24 eGovernment initiatives. Of these initiatives, the eGrants initiative was selected for an early pilot program to demonstrate the use of eForms and Web Services for eGovernment.

Many different government agencies are involved in making grants of various kinds. For example, a scientist might apply to the National Science Foundation (NSF) for a grant to
